EXPERIENCE

Volunteer Content Creator - College Marketing Team · CTU Training Solutions · February 2025 - Present

- Produce regular social media posts (images, short videos, captions) to promote college events and campaigns.
- Design event posters and information displays for both print and digital channels.
- Edit photos, videos and audio for use across social platforms.
- Collaborate with marketing staff to tailor content for target audiences.

Volunteer Sound & Broadcast Technician - Events · March 2025 - Present

- Operate live streaming and multi-source recording setups for live events.
- Prepare recorded footage and audio for post-event editing and distribution.
 - Set up and maintain broadcasting hardware and streaming software (OBS Studio, TriCaster Mini, Yamaha TF1)

Media Editor / School Photographer / Yearbook Designer · Highschool Bastion · 2022 - 2024

- Photographed school events and edited images for newsletters and yearbook.
- Designed the yearbook layout and coordinated image collection and captions.
- Collaborated closely with writers and editors to produce engaging visual stories for the school community.

PROJECTS

[Batch-Image-Processing-Tool](#) - A Python-based desktop tool for automating image processing tasks - resizing, renaming, packing, and watermarking.

[AuthorsPen-Bot](#) - A Discord moderation & utilities bot.
